WORKERS' COMPENSATION COMMISSION

NOTICE OF EMERGENCY AMENDMENTS

- 1) Heading of the Part: Arbitration
- 2) Code Citation: 50 Ill. Adm. Code 9030
- 3) Section Numbers: 9030.70                      Emergency Action:  
Emergency Amendment
- 4) Statutory Authority: Implementing and authorized by Sections 1.1(b), 13 and 16 of the Illinois Workers' Compensation Act [820 ILCS 305] and Section 16 of the Illinois Workers' Occupational Diseases Act [820 ILCS 310].
- 5) Effective Date of Emergency Rules: April 16, 2020
- 6) If this emergency rule is to expire before the end of the 150-day period, please specify the date on which it is to expire: This rule will not expire before the end of the 150-day period.
- 7) Date Filed with the Index Department: April 16, 2020
- 8) A copy of the emergency rules, including any material incorporated by reference, is on file in the Workers' Compensation Commission's principal office and is available for public inspection.
- 9) Reason for Emergency: The rapid spread of COVID-19 and uncertainty created within regulated industry has necessitated the modification of evidentiary rules regarding practice before the Commission to ensure first responders and essential front-line workers, who are most susceptible to exposure to COVID-19, are afforded the full protections of the Workers' Compensation Act in the event they are exposed to or contract the virus.

Due to the unprecedented and extreme exigencies created by the nature and timeline of the spread of COVID-19, going through the normal proposed rulemaking process under section 5-40 of the Illinois Administrative Procedure Act (5 ILCS 100/5-40) would create the potential for causing irreparable and irreversible harm to the public interest, public safety, and public welfare. Without the passage of this emergency rule, the uncertainty associated with the prior rules may put an individual in the untenable position of balancing their need to receive a continued paycheck to support their family and making the correct decision to miss work and self-isolate and self-quarantine. Without the emergency rule, individuals may feel forced to act against the public interest,

potentially creating an even more dire hazard than the State already faces. There is also the further potential that an individual who is a first responder or essential front-line worker and is capable of providing essential services may choose to miss work or to temporarily withdraw from the workforce out of fear of contracting the virus and being uncertain whether or not they would be afforded the protections of the Workers' Compensation Act—protections that every working Illinoisan deserves to be confident in and reassured by.

The rule is written to be narrowly tailored to only apply to those people who are first responders or essential front-line workers, to only apply to their employment as first responders or essential front-line workers, and to only apply to exposures that occur during a COVID-19-related state of emergency declared by the Governor. Further, the emergency rule does not guarantee or assure an award of benefits to any individual who suspects he or she has contracted COVID-19 or self-isolates and self-quarantines due to an alleged or suspected exposure to COVID-19, but, instead, creates a reasonable rebuttable presumption that a first responder or front-line worker's exposure to the virus is connected to their employment.

The emergency rule does not create or diminish any substantive rights of any party, but, instead, speaks to the rules of evidence and procedural rules to be followed by the Commission's hearing officers for carrying out the duties imposed upon the Commission in the conduct of hearings.

- 10) A Complete Description of the Subjects and Issues Involved: The proposed rules are designed to ensure in any case before the Workers' Compensation Commission where any COVID-19 First Responder or Front-Line Worker, defined within the Rule, is exposed to COVID-19 during the State of Emergency, it will be rebuttably presumed that the individual's exposure arises out of and in the course of their COVID-19 First Responder or Front-Line Worker employment and rebuttably presumed to be causally connected to their COVID-19 First Responder or Front-Line Worker employment.
- 11) Are there any other rulemakings pending on this Part? No
- 12) Statement of Statewide Policy Objective: This rulemaking neither creates nor expands any state mandates on units of local government.
- 13) Information and questions regarding these emergency rules shall be directed to:

Deputy General Counsel
