We would like to invite you to become a sponsor of the Illinois Workers' Compensation Lawyers Association. Working with us, your sponsorship provides significant exposure to you and your company through marketing efforts and contact opportunities which, in addition to our web site, includes social media, numerous social and educational events, and printed marketing materials. Your sponsorship enables our organization to offer high quality educational and social events for our membership. The WCLA also provides monthly Continuing Legal Education programs statewide. Our membership continues to grow, and our sponsors have access to more than 700 workers' compensation attorneys and their law firms throughout Illinois.

We are planning our 2017 programs and would look forward to your involvement in our upcoming events.

Last year we had several highly successful seminars and social events, including our Young Lawyers Section Happy Hours, which were presented by individual sponsors working in partnership with the WCLA. We are planning on expanding those opportunities this year. We encourage you to review the attached sponsorship packages and forward the Sponsorship Application, along with your check or credit card by February 15th, so we can begin to promote your company.
